The project

Get to know the D2IMIG project!

The D2IMIG project focuses on reducing stereotypes and pre-conceived ideas about migrants in Europe through engaging training modules and a migration journey game for educators, journalists, and social workers.

**Dialogue for Diversity, Inclusion
and Migration and Improved
learning opportunities
for Grown ups**

What we plan to do?

In the project, we will develop...

3 practical guidelines on the deconstruction of preconceived ideas

Digitalised training modules on the website for understanding, identifying, and reducing migration stereotypes

Practical training on reducing stereotypes and improving understanding of diversity

Serious Game taking the player through a migration journey to understand more about stereotypes and migrants in Europe

First Transnational meeting

On the 5th and 6th of February 2024, the partners from the D2IMIG project came together to discuss the first steps and the development.

Important key topics were:

- the training to be developed
- the structure and layout of the practical guidelines
- how to make the content interesting and engaging
- the serious game to be developed

The future of D2imig

So what is in store for you and us in the future?

Through our newsletters, the website, and the partners social media we will be keeping you up to date on everything. Once something is published you can be the first to try it out and benefit from learning!

Stay tuned!
