We are happy to inform you that the CirculArt-e learning curriculum designed for youth and social workers is now available in English on our website.

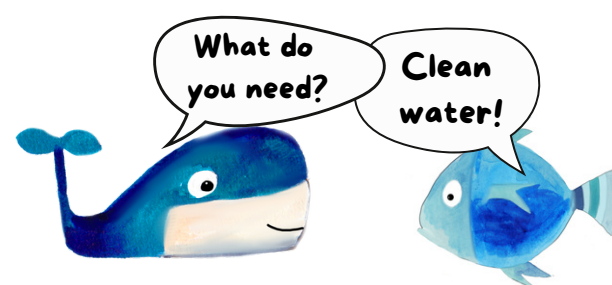

COMPARATIVE RESEARCH NETWORK:

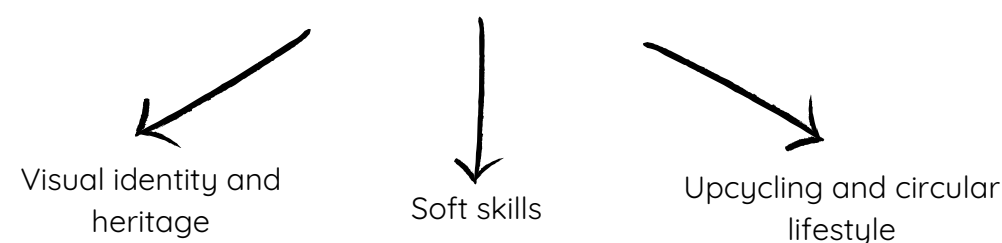

The CirculART-e curriculum was designed to enhance the creativity of youth and social workers, along with the creative, circular, and soft skills of the youth themselves.

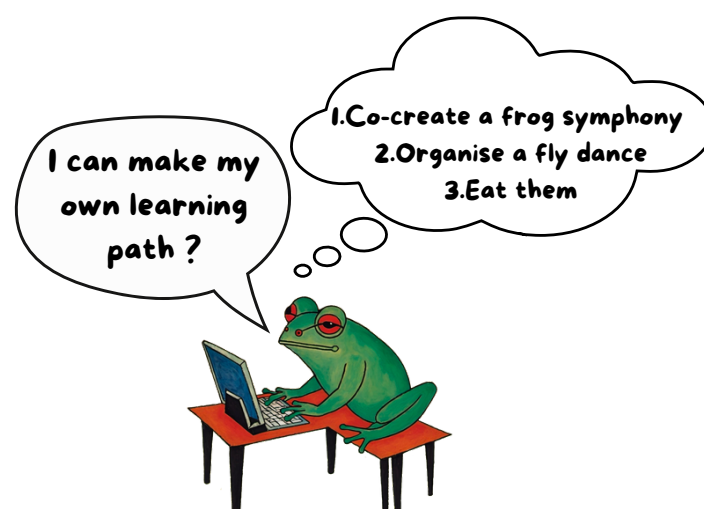

1. Learn about your learners' needs in the Handbook about *Empathy map of skills and wishes of young people*

2. Learn creative techniques through tutorials in the *Guide for digital training and visual art creation* about:

3. Design your own Learning Paths to adapt the CirculART-e Methodology to your learners' needs with the help of the *Learning Path Guide* :
